

CLAY COUNTY'S MOST WANTED

The Clay County Sheriff's Office proudly endorses the efforts of the Justice Coalition to capture wanted criminals. Clay County Sheriff Scott Lancaster believes, like many local law enforcement leaders, that law-abiding citizens are very interested in helping solve crimes and in removing violent offenders from our streets. Clay County currently has more than 5,300 active criminal warrants and civil writs and appreciates any information that will help the agency clear these cases.
