

Pete Jackson - Recipient of this Year's Golden Rule Award

Jacksonville's Chief Community Officer, Pete Jackson, was recently honored with The Golden Rule Award by CHARACTER COUNTS! at the organization's second Annual Golden Rule Day Luncheon. This luncheon is held each year to focus the community on the core ethical value of "RESPECT." Attendees were reminded that we cannot teach respect to our young people if we don't live it. Guests were encouraged to value all persons, to be accepting and tolerant of others who are different and to treat others the way one would like to be treated.

The Golden Rule Award is given to recognize a business or community leader for exemplifying in the workplace and community the principle embodied in the Golden Rule. Jackson's reputation

for integrity, and his exemplary leadership in diversity and work to bring greater cultural understanding and unity to Jacksonville, led to his selection by the Character Counts! Board of Directors.

Pete Jackson is Senior Pastor of the Westside Church of Christ in addition to filling his position in Mayor Peyton's administration. Jackson's passion for community service has led him to serve on a variety of commissions and boards. He is also the convener of the Jacksonville Network for Strengthening Families.

Each of us has a responsibility to help make our community safe, and aiding in the apprehension of those among us who choose to scoff at the law goes a long way in fulfilling that obligation. The citizens of Jacksonville thank all who have participated.
