### CONSTRUCTORS, INC.

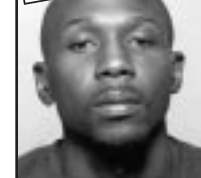

Since we began publishing pictures of wanted fugitives in the Justice Coalition's Victims' Advocate, and running these pictures on Channel 4 News, we have been given over 400 photographs by the Jacksonville Sheriff's Office. Your record of reporting these fugitives to the authorities has been impressive.

Lately we have begun re-running selected photos that were featured many months ago, in addition to the new ones we are given. The hope is that the fugitives may have come out from hiding, thinking the coast is clear. Once again, alert citizens have stepped forward to report the whereabouts of some of these individuals, and a few of the pictures of these surprised criminals are in this feature today.

Each of us has a responsibility to help make our community safe, and aiding in the apprehension of those among us who choose to scoff at the law goes a long way in fulfilling that obligation. The citizens of Jacksonville thank all who have participated.
