

ON THE LIGHTER SIDE

Don't Mess With Granny!!!

An elderly woman spent a leisurely day shopping at the mall. Upon return to her vehicle, she found four strange males sitting in her car. Frightened, the woman dropped her shopping bags and drew her handgun. She told the men that if they did not get out of the car, she would shoot. The four men ran off quickly, whereupon the lady got into the car. Her key, however, would not fit. The woman realized that her car was identical to this one but was parked a few spaces down. She drove to the police department and reported the story. The officer on duty laughed hysterically and pointed to the other end of the counter where four pale men had reported a hijacking by a mean old lady; no charges were filed. The secret word is courageous.
