

KINDLE COMMUNITY INVOLVEMENT

With Compassion

**By: Ann Dugger,
Executive Director**

Compassion: A feeling of deep sympathy and sorrow for someone struck by misfortune, accompanied by a desire to alleviate the suffering.

"I don't read the newspaper or watch television because the daily headlines are filled with

murder, assault and missing loved ones. I don't want to hear any more sad stories."

You may find yourself making one of these statements. Facing the facts of reality is difficult. The Justice Coalition hears sad stories daily; we listen to the heart cry of crime victims begging for help.

We try to put ourselves in the shoes of the grandparents, Jim and Sadie Roberts, whose granddaughter, Brandy Beverly, was murdered. I know we can't feel the real pain but we can open our hearts and try to

imagine the grief and trauma. Mr. and Mrs. Roberts, their four precious great grandchildren and their family, need you to listen and have compassion.

Families Of Missing Loved Ones need you to hear their plea and get involved. Crime victims beg you not to turn a deaf ear. "Listening is healing", said Margaret Mitchell of Compassionate Families.

You can be such an encouragement to innocent victims of violent crime by getting involved and showing

compassion. Slip on the shoes of a crime victim for a few moments.

Now, kindle your community involvement with compassion. Pray for the hurting crime victims in our First Coast Area. Pray for the Justice Coalition as we minister through God's power, trying to give Hope to the Hopeless.

On February 16, 2000, it was Brandy Beverly; tomorrow it could be you or one of your loved ones
