SECURITY SURVEY

Is your home or business as safe and secure as it could be? The Jacksonville Sheriff's Office Crime Prevention Unit will come to your home or business and conduct a security survey for you. The survey will result in an easy-to-digest study with recommendations about what you can do to make your home or business more secure and reduce the opportunities for criminal activity. Following the recommendations creates a safer environment for you, your family, employees and customers. For business owners, it can reduce your exposure to liability.

Call the JSO Crime Prevention Unit at 630-2160 and make an appointment for your free business or residential security survey.
