*The Justice Coalition began in 1995 because one man's priorities were changed. Ted Hires was the average businessman working 60 to 80 hours a week and looking out for himself until that day when he and his staff were held at gunpoint and robbed. Being a victim of crime, Ted found the criminal justice system worked harder for the criminal than the victim. As a result of Ted's experience, he formed a (501C3) non-profit organization, the Justice Coalition, and is making an effort to change the Fourth Judicial court system for the better.*

*Since 1995, the Justice Coalition has been fighting crime every step of the way. Fugitives captured are through a partnership with local media and law enforcement agencies.*
