## BABY TALK

A young couple had waited a long time to adopt a baby, so they were delighted when a Russian baby became available. They accepted him without hesitation and hurried to the adoption center to pick him up.

On their way home they stopped by the local college to enroll in night courses. After they filled out the forms, the registration clerk inquired, "Why do you want to study Russian?"

The couple proudly announced, "We just adopted a Russian baby. In a year or so, when he begins to talk, we want to be able to understand him."

## Childbirth

After taking Lamaze classes to learn about natural childbirth, the young man was admitted to the delivery room with his wife. After what seemed like an eternity the doctor finally announced, "I've got the head now; just a few more minutes."

"Is it a girl or boy?" the new father asked excitedly.

The doctor replied, "I don't know. It's hard to tell by the ears."
