## Juggler

A New Mexico State Trooper pulled a car over on I-25 about two miles south of the New Mexico/Colorado state line. When the Trooper asked the driver why he was speeding, the driver answered that he was a magician and a juggler and he was on his way to Albuquerque to do a show that night at the Shrine Circus and didn't want to be late.

The Trooper told the driver he was fascinated by juggling, and if the driver would do a little juggling for him, he wouldn't give him a ticket. The driver said he had sent all of his equipment on ahead and didn't have anything to juggle.

The Trooper told him that he had some flares in the trunk of his patrol car and asked if he could juggle them. The juggler stated that he could, so the Trooper got three flares, lit them and handed them to the juggler.

While the man was doing his juggling act, a car pulled in behind the patrol car. A drunk man got out, watched the performance briefly, then went over to the patrol car, opened the rear door and got in.

The Trooper observed the drunk's actions, went over to the patrol car, opened the door and asked him what he thought he was

doing. The drunk replied, "You might as well take me to jail, cause there's no way I can pass that test."

## Traffic Camera

A man was driving when a traffic camera flashed. He thought his picture was taken for exceeding the speed limit, even though he knew he was not speeding. Just to be sure, he went around the block and passed the same spot, driving even more slowly, but again the camera flashed. He thought this was quite funny, so he slowed down even further as he drove past the area, but the traffic camera flashed yet again. He tried a fourth time with the same result. The fifth time he was laughing when the camera flashed as he rolled past at a snail's pace.

Two weeks later, he got five traffic fine letters in the mail for driving without a fastened seat belt.
