**ADT helps  
protect the things  
that matter most.**

A single ADT security system can help protect your home and family from burglary, fire, carbon monoxide and more. You'll be connected to one of our customer monitoring centers, where trained professionals are on watch 24 hours a day, 7 days a week. When an alarm is triggered, you hear it and so do we. Depending on the type of alarm, we can notify the police, fire department or an ambulance, even if you are not home. We protect more than four million homes, U.S. Government buildings, financial institutions, and most of America's Fortune 500 companies. Let us do the same for you
